

# SEABOTA

Annual Conference

New Orleans, LA

April 18 - 21, 2024

*You will leave with new friends!*

Our conference has a “boutique conference experience” with programming that caters to spending time together. You will not find yourself feeling like a “newby.” We want you and your spouse/companion to leave with a handful of new friends and business contacts. Your families are encouraged to join you. Many of our leaders bring their children and spend the afternoon together – some have started to share sitters. Many of the spouse/companions connect throughout the weekend to walk – invitations are not required!

*Boring is not in our vocabulary!*

You will not find yourself sitting at structured evening events. SEABOTA wants to have fun! We host a cocktail reception or activity on Thursday, Friday, and Saturday evenings, which then allows you time to get out and enjoy the city’s restaurant fare with your friends. Our Friday activity this year will take place at Preservation Hall, where plenty of libations will be had all while listening to the exceptional talent of the Preservation Hall Jazz Band.

*The Four Seasons Hotel!*

Our conference will be held at the newly appointed Four Seasons. The hotel overlooks the Mississippi River and is within walking distance to shopping, Bourbon Street, Magazine Street, restaurants, museums, and more.

PLEASE CONSIDER JOINING US THIS  
APRIL IN NEW ORLEANS!
